

WISCONSIN VOTE PLEASES PATRIOTS

ALL TEN CONGRESSMEN TRIUMPHANTLY ELECTED.

Result in Milwaukee County Is Particularly Gratifying—Governor Scofield Expresses Satisfaction at the Endorsement His Administration Has Received from the People.

The Milwaukee correspondent of the Chicago Inter-Ocean says that the republican victory in Wisconsin has proved far more sweeping than was expected. The plurality of Governor Scofield over Sawyer in sixty four counties with ten more counties to hear from, is about 41,000 and Scofield runs behind some of the other candidates on the republican ticket to the extent of about 15,000. Late this afternoon it was ascertained that all the ten congressmen have been elected, and that, consequently, Wisconsin has contributed another man toward reducing the democratic strength in the House of Representatives at Washington. This was made certain by a dispatch from Herman H. Dahle to Chairman Treat saying that he had carried the Second congressional district by about 1,000.

Equally gratifying is the legislative result, the state senate containing thirty one republicans out of thirty three members—sixteen hold overs and fifteen newly elected—and the assembly eighty one out of 100 members, which makes the republican majority ninety one on joint ballot.

Ten Republican Congressmen.

The ten republican congressmen, who have been elected by pluralities ranging from about 1,000 for H. B. Dahle in the Second district to 10,000 for Cooper in the First, are as follows:

- First—H. A. Cooper.
- Second—Herman B. Dahle.
- Third—Joseph W. Babcock.
- Fourth—Theobald Otjen.
- Fifth—Samuel H. Barney.
- Sixth—J. H. Davidson.
- Seventh—John J. Esch.
- Eighth—Edward S. Minor.
- Ninth—Alexander Stewart.
- Tenth—John J. Jenkins.

The result in Milwaukee county was a great surprise. The entire republican county ticket was elected, except the sheriff, who ran against a very popular man, and eleven out of fifteen members will represent this county in the state assembly. The most remarkable feature of the election was the breaking away of the Poles from the democratic ranks. The Polish wards, the Twelfth, Fourteenth, and Eighteenth, usually roll up from 7,400 to 2,000 democratic majorities, but more than half the Polish voters stayed away from the polls.

Governor Scofield's Opinion.

Governor Scofield has thus expressed his opinion of the result of the election in this state:

"It is unnecessary for me to say that I am gratified with the result of the election. I can but accept the outcome as a vindication against the assaults which have been made upon my conduct as the executive officer of the state of Wisconsin, and I avail myself of the opportunity to assure the people of Wisconsin that they shall continue to have the most faithful and conscientious service which I am able to render.

"Notwithstanding the advice of some of my best political friends I have felt that any explanation of the unjust charges against me was unnecessary, and that the people would appreciate that I had at all times endeavored to perform my duty as I saw fit, and that the surest guarantee of good government consists in a conscientious purpose to do right. I have at all times endeavored to care for the interests of the people of Wisconsin, regardless of party faction, to the same extent and in accordance with the same principles that I applied to the care of my own interests in my private affairs.

"I appreciated at the time of my nomination that the opposition thereto was only a continued manifestation of the desire of a faction of my party to gain ascendancy therein, entirely similar to that which had extended by immediate predecessor from nomination. And I take the result as an expression by the people of their disbelief in the patriotism and unselfishness of that faction.

"The national emergency cast upon me extraordinary official duties during the campaign, which have precluded me from the intercourse with my constituents which is usual, and which I should have enjoyed."

NO MISSING JANESVILLE BOY

A Missouri Story That Led to Inquiries From the Local Police.

A dispatch to the St. Louis Republic from Monroe City, Mo., says: "There are thirty gypsies camped one mile north of this city, and while passing their camp yesterday, a 12-year old boy appealed to Bert Wood of this city, who was driving by to take him away from the gypsies. The boy said that he had been stolen from his home in Gainesville, Wis., when 8 years old. After a war of words with the campers, Mr. Wood drove off with the boy, though the campers followed him two miles. When within nine miles of Palmyra Mr. Wood gave the boy \$1 and told him to work his way as fast as possible. The gypsies, the boy said, were making him steal for them. The child's name is Birch Wilbur."

There is no such place as Gainesville, Wis., a fact that gave rise to the suspicion that Janesville was the place from which the gypsy captive hailed. The local police, however, have no record of such a lad as the one described having been missed from this city, and do not take much stock in the story.

TWO SUDDEN DEATHS

John A. Holmes and Mrs. Lucy Wessell, of Beloit, Found Dead.

Beloit, Wis., Nov. 10.—[Special]—Yesterday morning heart failure ended the earthly career of John A. Holmes, of this city. When Mr. Holmes' youngest son, who sleeps in the same room, awoke yesterday morning he called his father several times, but received no answer. When the boy reached his father's bedside he became very much frightened when he failed to awaken him. Dr. Bell was immediately sent for, but death had come during the night. Mr. Holmes had enjoyed average good health for many years, but while down town Tuesday his breathing bothered him and he was obliged to seek rest. Beyond this there was no other sign of failure. Mr. Holmes was born March 9, 1819, in Londonderry, Rockingham county, N. H., and came to Beloit in 1874. He was educated at Blanchard Academy, Pembroke, N. Y., and afterwards took up the profession of surveying. He conducted a mercantile business in Fisherville, N. H., and while there held many offices of public trust. While a resident of this city he was with the Beloit Savings bank and was for a long time its treasurer. He was an alderman of the Second ward and was also city surveyor. He was twice married, but died a widower and leaves three young children. He was prominently connected with the Presbyterian church. The funeral will take place tomorrow morning at 10 o'clock, and the remains will be taken to Rockford.

Mrs. Lucy Wessell retired in her usual good health Tuesday night, and about 3 o'clock Wednesday morning, her son Frank heard her groan. He called to her and received no answer. He called his nephew Eli, and when they reached her bedside she was dead. Mrs. Wessell was born August 31, 1833, and came to Beloit from Sharon, Wis., about twelve years ago. She was a widow, her husband having died twelve years ago. She leaves four sons, three brothers and a sister.

George Yost, an ex-member of Co. A, and son of John Yost, proprietor of Yost's Park, met with a terrible accident Tuesday morning by having his left arm cut off above the elbow in a corn shredder. Drs. Nye and McCabe attended him. George is only twenty-one years old, and has many friends in this city who sympathize with him.

FEARS OF STRIFE.

Salisbury Says There Is Danger in American Expansion.

London, Nov. 10.—Lord Salisbury surprised his auditors Wednesday night by saying that a menace to peace existed in the expansion plans of the American government.

The statement was made at the lord mayor's banquet, at which 850 distinguished guests were gathered, but the premier aroused their enthusiasm a few minutes later by declaring that no matter what might be the outcome of the American program, it carried to completion, was likely to aid British interests.

He also said the feverish conditions were opposed to the czar's disarmament plan, and that Great Britain would not forego all necessary precautions to maintain its prestige.

In regard to Egypt, Lord Salisbury gave his hearers to understand that Great Britain's grip on the Nile valley had been tightened; that a protectorate in the future may be possible, but just at present the government is not ready to take that step.

Blanco Wants to Go Home.

Havana, Nov. 10.—Gen. Blanco has given out that he would like to leave the island Nov. 20. There are unmistakable reasons for believing that he hopes to get away by the 20th inst., or a little later. The United States officers who have business which he should attend to personally are endeavoring to get it completed before the middle of the month. Gen. Blanco assigns as a reason for his eagerness to get away that he did not surrender the island and does not want to be present to witness the hauling down of the flag or to participate in the final detail of turning the property over to the United States.

Scates, who were elected to the legislature on the socialist labor ticket, are the first socialists to hold a seat in any legislative body in the United States. The strength of the socialist party has quadrupled in two years, and the increase is ascribed by the leaders in the two old parties to the business depression in recent years and numerous reductions made by shoe manufacturers.

CHARLES W. HUFF ABANDONS WIFE

BROUGHT INTO COURT THIS MORNING.

Mrs. Minnie Huff Says That He Suddenly Left Her at Their Town of Milton Home—Case Set For Trial—Peter Sherer Will Have Jury Trial on Saturday.

Charles W. Huff, of the town of Milton; appeared in the municipal court this morning to answer to the charge of abandoning his wife and failure to support. The complaining witness was Minnie Huff, his wife, and according to her story Charlie has not bestowed upon her the kind of love that a true husband should.

The defendant is a bright appearing middle aged man, and his arrest took place in Evansville yesterday. Under Sheriff Wallace Cochrane serving the papers.

Mrs. Huff in her complaint alleged that they were married in the town of Milton in 1894, and that of late all has not been smooth sailing on the family seas. She further alleges that on the first day of October, 1898, the said Charles Huff left his home in the town of Milton; and that he has since failed to put in an appearance. She also says that he is able to earn a good living, but that he has neglected to care for her in any way.

When arraigned in court this morning Mr. Huff had rather a hard time of understanding, for the reason that he is partially deaf and dumb. He waived examination, and his trial was set for Nov. 19 at 10 o'clock. Bail was placed at \$100.

When the case of the State of Wisconsin vs. Peter Sherer was called at 10 o'clock this morning it was set for jury trial on the morning of Nov. 12. The defendant is charged with cruelly beating a six months' old puppy till it was all but dead.

GOING HOME ON A VISIT

Fred R. Howard Is Spending His Furlough in the Northwest.

Fred R. Howard, of the U. S. S. New Orleans, who is on his way to his home in South Dakota, to spend his furlough, arrived in the city early this morning to spend the day with his sister, Miss Maude Howard, and aunt and uncle, Mr. and Mrs. Miller, of Riverview Park. "The New Orleans is being refitted in New York," said Mr. Howard. "Like the other boats we bought in Brazil she was fitted for service in southern waters and had no steam heating plant. A Brazilian crew will be satisfied with quarters that Americans find very distasteful, too, and a great deal of grumbling is heard about the berthing arrangements. As to fighting qualities—the New Orleans is faster and has more battery power than any ship of her class in the navy. The Armstrong guns she carries are liked very much by those who have handled them."

BLANCO TO GO NOV. 20.

Preparations for Departure from Cuba Are Being Rushed.

Havana, Nov. 10.—Gen. Blanco will leave Havana Nov. 20. Preparations are being hurried forward for his departure, and he will doubtless go from here to Barcelona, leaving Gen. Parado to close up matters relating to the final evacuation of the island.

Residents here are fearful that serious disorders will arise before the city has been evacuated by the Spanish troops. These, it is believed, will be brought about by the irritation of the soldiers at the continued delay of their pay. Six, eight, and in some cases, ten months are due them, and they are claiming that they should at least be paid in part before returning home.

In order to satisfy that outcry the government is issuing to each man shipped a due note, collectible in Spain, for the amount in arrears. This does not, however, satisfy the soldiers, who say that at the close of the last war a similar plan was adopted, but no payment followed, the due notes being repudiated. The lowest estimate of the sum due is \$5,000,000 Spanish gold.

Cannot Work in Concert.

Rome, Nov. 10.—It is said already the powers have come upon a stumbling block in their attempt to take concerted measures for the suppression of anarchism. The submitting by Italy to the other powers of a memorandum, with intent that it be agreed upon as an international extradition treaty at the coming conference, is characterized as a piece of officiousness, especially in view of the fact that the present wording of the proposed extradition measures is obnoxious to Great Britain and Switzerland. Those nations will require guarantees of fair play before going into the conference.

Scates, who were elected to the legislature on the socialist labor ticket, are the first socialists to hold a seat in any legislative body in the United States. The defendant's main defense was that the note should fall personally to the cashier, who they claim was responsible for it. The court, after hearing arguments, found the plaintiff for the full amount.

Spain's Precarious Position.

London, Nov. 10.—The Paris correspondent of the Daily Telegraph says: "The Spanish domestic situation inspires alarm. Senor Sagasta's government is tottering. SPAIN TELLS HER STORY OF THE WAR

SPANISH RED BOOK REVIEWS ITS CAUSES.

Admits the Writing of an Obnoxious Letter by Ambassador De Lome—The Government Foresaw the Blowing Up of the Maine—Efforts To Avoid Conflict.

Washington, Nov. 10.—[Special]—A copy of the Spanish red book, setting forth the Spanish-American trouble from the beginning of hostilities has been received here. DeLome admits expressing his opinion of McKinley in the famous letter which caused his recall. He says he wrote it fearlessly. The book records that on Feb. 8 Spain sent a note to the powers stating that the presence of the Maine in Havana harbor was causing excitement and expressing fear that by some accident a conflict might be precipitated.

February 25 De Bosc notified his government that the most conservative men in the United States had lost their heads, and if the report of the Maine disaster showed that the vessel had been blown up by criminals Spain was in a grave position. April 10, the book says, Ambassador Bernabe reported that he had a conference with a prominent senator and the latter had induced the president to materially modify his message to congress. April 15, Spain sent a note to the powers informing them of the joint resolution being passed by the American congress and praying the powers to come to Spain's assistance.

CHICAGO SENDS ITS ULTIMATUM

TERMS UPON WHICH FOOTBALL GAME WILL GO.

Some of the Protested Players Will Be in Their Positions, Despite Suspicious Facts Urged Against Them—Unless Wisconsin Accepts, the Game Will Be Declared Off.

At last the seemingly interminable quarrel between Wisconsin and Chicago universities over the composition of the teams that will play the coming football game is practically ended. Yesterday the athletic board of the Chicago institution mailed to Madison the finding of the board, with the names of those who will play and the documents in the case are expected to be made public this afternoon. The case of Ewing occupied most of the time of the committee last night. Every scrap of evidence was gone over, and the understanding on the campus after the meeting was to the effect that the player had been cleared. Rogers has made out a strong case and is almost certain to be on the line up Saturday. Nothing has been proved against Kennedy and Knolia and the case against Allen has been dropped and the name of Hetschberger not even mentioned. Burnett has succeeded in establishing his title to amateurism.

Harvey Holmes, of Wisconsin, has been protested despite statements to the contrary. The document from Chicago carrying with it alleged evidence against his amateur standing was not mailed until the time for protests had expired, it is said. In that case the Wisconsin faculty could technically disregard it if it so choose.

Preparations for the game are now practically completed. Grand stand and bleachers almost inclose the whole field. No carriages or vehicles of any kind will be admitted inside the fence. The rosters on foot will be given the freedom of the field.

There will be no more consideration of protests. If Wisconsin has any more protests to make they will not be heeded. This decision is the ultimatum of Chicago. If Wisconsin refuses to accept these terms the game will be declared off.

Mr. King has furnished some valuable evidence to the government. He is justly regarded as one of the most efficient officials in the service.

PRESIDENT MCKINLEY REVIEWING THE JUBILEE PROCESSION IN CHICAGO

FROM HARPER'S WEEKLY. AFTER SKETCHES BY H. RECTERDAHL

Reproduced from Harper's Weekly. By Permission. Copyright, 1898, by Harper & Brothers

Chicago and Philadelphia have been indulging in a great deal of enthusiasm during the last week or so, by celebrating the American victory of arms with peace jubilees. It is a fitting way to celebrate the return of peace, and a way that is inspired by a lofty sentiment. The citizens of these cities gave vent to their enthusiasm in parades, banquets, receptions, dedications, etc.

In Chicago, the ceremonies began on Sunday, October 16, and extended until Friday, October 21. President McKinley, returning from the Omaha expedition, remained over at Chicago to participate in their jubilee. He gave a public reception at the First Regiment

armory, and despite a downpour of rain, great crowds gathered to greet him. The most important feature of the celebration, however, was the grand military, naval, and civil parade.

There were in line veterans of the civil war, marching together as brothers reunited, and civic societies which make for militant citizenship and patriotism, while in between were boy cadets for future armies. At the end, in the position of honor, the sailors and soldiers marched, the men who offered their lives in our recent war with Spain. President McKinley, who witnessed the parade from the presidential stand, was accompanied by the mayor and other

dignitaries, and during the time of its passing he remained standing. While the military divisions were in sight, Generals Miles and Shafter in full uniform, stood close beside the president, and displayed great interest in the review. The enthusiastic crowd finally persuaded the president to make a speech, which he did, although it was a short one.

Our picture, which is taken from Harper's Weekly, shows the president on the grand stand reviewing the soldiers. The rain which fell did not dampen the ardor of the people, and the day ended with a grand complimentary banquet to the president.

JUDGE PINNEY RESIGNS

Supreme Court Justice Retires Because of Ill Health

Madison, Wis., Nov. 10—Associate Justice Silas U. Pinney, of the state supreme court, handed in his resignation to Gov. Scofield yesterday. It is understood that Justice Pinney had contemplated the step for some time, but did not come to a final decision in the matter until today. He has been on the state supreme bench many years and has sat in many important cases. It is understood Judge Pinney's resignation was brought about on account of ill health.

A VICTORY FOR CHAMPAGNE

Beer Will Not Be Used to Christen the Battleship Wisconsin.

The proposition to christen the Battleship Wisconsin with a bottle of Schlitz's Milwaukee beer, instead of with the traditional bottle of champagne, continues to create a good deal of discussion, although the committee having the matter in charge has rejected the proposition. From a temperance standpoint there was no choice between beer and wine, except, perhaps, as to degree, for the beer, especially the article manufactured by the Schlitz company, is less intoxicating than the mildest of champagnes. The brewing company, in making the proposition to the committee, urged that their product has a name all over the world for purity and excellence. It is an honest American product. Only a few weeks ago nearly half a million bottles of this "beer that made Milwaukee famous" were shipped to the men behind the guns at Manila—the largest and most noteworthy shipment of beer that ever left America.

The Schlitz company does not complain of the action of the christening committee in rejecting their proposition, but would have been glad of the innovation upon an established custom that has nothing in particular to recommend it. They are going right along as if nothing had happened, but hope to see the day when upon such occasions, a distinctively American product will be preferred to one of foreign origin.

The Schlitz company has done much to make Milwaukee and the state of Wisconsin famous. It was natural that they should desire to show their patriotism by spilling a bottle of their famous beer over the bow of the new battleship as she proudly slid into the element in which she is destined to do battle for the stars and stripes. But they show no ill feeling and accept the decree of the committee with perfect equanimity.

THE SIMPLEST CURE FOR INDIGESTION,

As Well as the Safest and Cheapest.

The new medical discovery, Stuart's Dyspepsia Tablets, digest the food instead of making the worn out stomach do all the work, give it a needed rest, and a cure of dyspepsia is the natural result.

You get nourishment and rest at the same time, because these Tablets will thoroughly digest all wholesome food taken into the stomach whether the stomach works or not. A cure is certain to result because the digestive organs are given a chance to rest and recover their natural vigor and tone. The Tablets are then no longer required.

To show the manner in which the remedy acts on different people and how quickly and effectually it cures stomach troubles we present a few recent cases.

Mr. J. O. Wondley, of Peoria, Ill., writes: I was unable to eat anything but the plainest food and even that often distressed me, but since using one box of Stuart's Dyspepsia Tablets I can eat anything and everything I want.

Mrs. Samuel Keppie, of Girty, Pa., writes: I have been entirely relieved of my stomach troubles by your tablets. I suffered three years with sour stomach and gas at night. I am thankful for them.

Mrs. A. E. Bowen, Barnard, Vt., writes: I think Stuart's Dyspepsia Tablets are the best thing for dyspepsia I ever took. I will recommend them to anyone troubled as bad as I was.

Stuart's Dyspepsia Tablets will not disappoint because they cure dyspepsia surely and lastingly by causing the food to be properly assimilated, and cure constipation by producing the proper quantity of bile. Sold by all druggists at 50 cents per package. Send for free book on stomach diseases to Stuart Co., Marshall, Mich.

WARLIKE MOVE BY FRANCE.

Her Mediterranean Squadron Suddenly Assembled.

Paris, Nov. 10.—The Echo de Paris publishes a dispatch from Toulon which says the entire French Mediterranean squadron is ready for sea.

It adds that Admiral Fournier, its commander, received a cipher dispatch last evening, whereupon he signalled to the Forbin, third-class cruiser, to rank her fires, and her fastest torpedo boat conveyed orders to the admiral commanding the squadron of French cruisers and torpedo boats to assemble immediately at Toulon, where all the vessels are prepared for action and where the arsenals and shipyards have been worked all night.

Later it developed that Admiral Fournier had been summoned to Paris. Paris, Nov. 9.—The French newspapers generally approve the silence of the chamber of deputies on the subject of Fashoda and congratulate M. Brunot on his withdrawal of the interpellation which he intended to address to the government on the subject.

The Siecle says it regrets that Maj. Marchand did not observe the same reticence at Cairo.

In Session at Hot Springs.

Hot Springs, Ark., Nov. 10.—The fifth annual convention of the United Daughters of the Confederacy opened here today with a large attendance of delegates. The formal opening took place in the tastefully decorated parlors of the Arlington Hotel, Mrs. Kate Cabell Currie of Texas, national president, presiding. The opening session was largely occupied with routine work. Mrs. J. M. Keller, president of the local chapter, cordially greeted the visitors, and response in behalf of the daughters was made by Mrs. G. D. Wright of Baltimore. There is a spirited contest on for the presidency of the society, several candidates being already discussed.

Third Illinois in New York.

New York, Nov. 10.—The United States transport Roumania, which sailed from Arroyo and Ponce, Porto Rico, Nov. 3, arrived today with all well on board. She brought the Third Illinois volunteers, commanded by Colonel Bennett, forty-two officers and 984 men. After a brief inspection at quarantine the Roumania proceeded up the bay. Her troops will be transferred to Jersey City, where trains will be boarded for the west.

More Sample Cloaks.

In this week, another line of Jackets--- samples from an Eastern maker; includes many of the shades that are scarce, such as tan, castor, brown and blue. No two garments in the line are alike, and in addition to this feature we shall offer them at our well known sample prices, which means a saving of one-third. If you have not been able to find a coat that suits you, come in and look through this line and we believe you will find a garment to please you. We have made ample provision for ladies wearing larger sizes than the average and are showing a very satisfactory lot of coats in sizes 38, 40, 42, 44 and 46 bust measure. One advantage for women who require these sizes is that there is no additional cost added for extra sizes; these large sizes begin in price at \$5 and from that up; all prices are represented.

Judging from the large sale we have had on Misses' and Children's Coats, we believe our line is far the best in town; certain it is that we never sold so many garments in the same time as have been sold so far this season.

The new C. & N. W. depot impresses the stranger when he gets off the train. It causes the commercial traveler to say to himself "well, this must be a good town." The passenger on the train thinks "why, Janesville must be quite a city." And so it goes. That depot is worth big round dollars to Janesville people.

The statement that the result was due to the fact that the Hon. William Smith had his beard led to the sacrifice is hardly well founded. Mr. Smith doubtless realized, weeks ago, how hard the wind would blow on Tuesday.

And it all came about regardless of the fact that the tools of designing men had been freed of the bonds that had held them slave for so many years.

Edgerton and Evansville can never get along together, as is again shown by the fact that Edgerton went democratic while Evansville went republican.

But judging from the pluralities, one is hardly justified in placing the entire blame upon the ex-silk hat of the Hon. Cornelius Buckley, of Beloit.

And now the campaign orators who failed to make their "burning words" count, can turn their talents to xylography.

Now that the country is saved, good citizens should also do their part toward saving that new depot.

No longer is the candidate meek and lowly, for have not all the votes been cast?

As 'The Gazette' has before stated, "the ring" consists of the republicans of Rock county.

The members of "the triangle," however, have taken to the woods.

And one Donnelly, of Milwaukee, also pegged along in the dust.

And six damage suits are set for trial at this term of court!

While the Hon. Clint. Babbit also ambled.

Even the Philippines are ours!

Rock county heads the list.

Cloak Sale Tomorrow.

We trust that most of the ladies who are interested in the purchase of a new winter wrap are making arrangements to attend our great cloak sale tomorrow. It will certainly be an event worthy of every lady's consideration, as such a well assorted gathering of jackets, capes and fur collarettes will not be shown by anybody again this season. Not only will the assortment be large but the selling prices will be wonderfully low, as only a slight advance above cost will be added. We can afford to do with a small margin of profit on account of not being obliged to carry so diversified a line in stock. We take no chance in selling them. You are cordially invited to come whether you buy or not. Bort, Bailey & Co.

BRILLIANT PARTY AT THE ARMORY

MRS. N. L. CARLE AND MISS JOSEPHINE CARLE ENTERTAIN.

All the Appointments Were Rich and in Perfect Taste—A Bounteous Repast Served, and Dancing Was Continued Till Early Morning Hours—Those Present.

The long expected party given at the Armory last evening by Mrs. Norman L. Carle and Miss Josephine Carle proved to be the most brilliant social event of the year. There was a large attendance over three hundred being present.

The Mackay Company Will Present "The Mascott" in Good Style.

The Mackay Opera company, which will be seen at the Myers Grand this evening, has been doing an excellent business of late and pleasing its audiences immensely. The attraction for this evening is "The Mascott," one of the most sparkling of comic operas. The cast is a fine one, including artists who have won wide distinction. The solo parts will be ably sustained, and the chorus is a strong and well balanced one.

The prices have been placed at a low figure, so that every one can afford to hear the rare musical gems that will be presented. There can be no doubt of the success of the brief season.

BRIEF NOTES ABOUT TOWN

A Destructive Hurricane.

The British West Indies were swept by a destructive hurricane on the night of September 10th. On the island of St. Vincent 300 persons are reported to have been killed, and 20,000 made homeless. On the island of Barbadoes, according to official reports, 10,000 persons were destroyed, and 50,000 persons made homeless. St. Lucia also suffered, and a number of vessels were lost. A relief fund has been opened in London to send food and other supplies to the distressed population.

MUSTERING OUT

MORTON AND INMAN MAKE LIST COMPLETE.

Every Member of Company A Has Now Left the Service—Work Here Was at Grand Hotel, and Took But a Short Time—Plenty of Sick Ones Through the State.

Capt. Andrus, the mustering out officer for Wisconsin, was in the city this morning and at the Grand Hotel he mustered out the sick members of Co. A, who were unable to appear when the company was mustered out at the Armory last month.

Those mustered out today were Private Ralph Inman, of this city, and Private James Morton, of Johnston. Every member of the company has now left the service of the United States government, and Co. A, First Wisconsin regiment, is a thing of the past.

Several days ago Capt. Hanson was notified that Capt. Andrus was coming here, and accordingly both Inman and Morton were on hand and the work of completing the mustering out here took but a few minutes. Capt. Andrus was in Beloit yesterday, where he found plenty of work, there having been several there on the sick list. He is now traveling through the state, and expects to complete his work within the next few days.

WHEELOCK'S

THE VOTE IS ANTI-TEMPLE.

Chicago Temperance Building to Be Abandoned.

ACT OF EXECUTIVE BOARD.

Twenty-Four of Thirty-Eight State Representatives Decide Secretly in St. Paul to Give Up the Great Structure—Tag Still to Come.

St. Paul, Minn., Nov. 10.—The executive board of the Woman's Christian Temperance Union likes what it did to the Woman's Temple in the statement July 15 and voted to stand by it Wednesday. There was a secret session and figures of the same old kind stalked in. Four women favored them, and said so. They were Mrs. Dunham, Iowa; Mrs. Schovel, Minnesota; Mrs. Walker, Nebraska, and Mrs. Clark, Ohio, all state presidents. Mrs. Dunham granted that she never thought the union should own the building, and said, "but we must pay off that \$500,000 worth of trust bonds." Before Mrs. Dunham had finished talking to the board she had withdrawn from the presidential race. Mrs. Dunham has been considered the Temple candidate. "My name should never have been used," she said, "as nothing could induce me to run."

The three others agreed with her, while the remaining voters were folding up their ballots. The general officers rehearsed anti-Temple doctrine, dwelling upon such a word as "futility," then there was a roll-call, and then it was all over. "We had harmony all through it," said Acting President L. M. N. Stevens, "and every one of us sung 'Blest Be the Tie That Binds.'"

However, Mrs. Matilda B. Carse is here and will patch up the weak spots in her line-up. Mrs. Carse will quote Miss Willard's words of a year ago, when Miss Willard started out to pay off the bonds: "Let those who wish to follow, follow; and those who wish to falter, falter."

If the W. C. T. U. deserts Mrs. Carse she will go to work with the Temple trustees, or, in the name of the Frances Willard Memorial Association, seek to get on top of the bond scheme. The discussion Wednesday shows there is still a slight division of thought. That the union will stand by the board is generally conceded.

AMERICA STANDS FIRM.

Peace Commission Does Not Moderate Its Terms.

Paris, Nov. 10.—Wednesday's session of the joint peace commission lasted only half an hour. The time was occupied in the submission of the American rejoinder to the Spanish reply, and the sitting was adjourned without debate until Saturday.

The rejoinder consists of counter arguments to all of the points raised by the Spaniards last Friday, and does not moderate the original American terms in any respect.

The Spaniards are much depressed, and reiterate their intention to withdraw from the negotiations and allow the Americans to seize by force what Spain will refuse to yield voluntarily.

There is some reason to believe that Prime Minister Sagasta would willingly make peace on the American terms if none better could be obtained.

BLOODY ELECTION DAY.

Six Men Killed and Five Wounded in Brawls in Texas.

Dallas, Tex., Nov. 10.—Tuesday was a bloody election day in Texas. At Hubbard, Stephens county, Roscoe McCarthy, Joseph Ramby and Jefferson Squires were killed and J. F. McCarthy and Riley Squires probably mortally wounded in an election quarrel. At Stuber, in Hopkins county, R. E. Sutton and George Young were killed. William Young is in jail as a party to the killing of Sutton, who had murdered Young's brother. At Aubrey, Denton county, Deputy Sheriff B. Taylor was shot through the neck by Lee Webb and dangerously wounded. He shot Webb through the leg. At Sheffield, in Trinity county, J. W. Ashfield was killed and his father probably fatally wounded by persons whose names have not been learned.

Many minor affairs occurred in various parts of the state as the result of election differences.

Wisconsin Jurist Resigns.

Madison, Wis., Nov. 10.—Associate Justice Silas U. Pinney of the state supreme court has handed in his resignation to Gov. Scofield. It is understood that Justice Pinney had contemplated the step for some time, but did not come to a final decision in the matter until today. He has been on the state supreme bench many years and has sat in many important cases. It is understood Judge Pinney's resignation was brought about on account of ill health.

Ex-Mayor of Chicago Dead.

Chicago, Nov. 10.—Dewitt C. Cregier, ex-mayor, one of Chicago's pioneer citizens, staunch democrat and founder of the city water system, quietly passed away at 7:10 last evening in his home, 418 Chicago avenue.

William Fears Anarchists.

Beirut, Syria, Nov. 10.—It is persistently rumored here that the departure of Emperor William and Empress Augusta Victoria was hastened by the discovery of another anarchist plot.

President at Washington.

Washington, Nov. 10.—The presidential party reached Washington on its way to the city at about 7:45.

MORE ELECTION FIGURES.

Big Plurality in Iowa.

Des Moines, Iowa, Nov. 10.—Iowa voters elected the republican candidates in the eleven congressional districts of the state, the safe ones by sweeping and almost unlooked-for majorities, and the few who had contests on their hands by increased pluralities, except in one district. Maj. John F. Lacey, member of congress, defeated Gen. James B. Weaver by a plurality of 1,234, a gain of 33 over his plurality in 1896.

California Results in Doubt.

San Francisco, Cal., Nov. 10.—Less than half of the vote of California has been counted. One thousand one hundred and eleven complete precincts out of 2,407 give Gage, republican, for governor, 9,450 plurality. At this rate his vote will be 29,000 in excess of McGuire. It is reasonably sure also that the republicans have carried the rest of the state ticket, with the exception perhaps of secretary of state and two judges of the supreme court.

Scofield Wins in Wisconsin.

Madison, Wis., Nov. 10.—From figures received by Gov. Scofield, republican, and supplemented by the state central committee reports, it is evident that Scofield's plurality over Sawyer, democrat, will be 41,000 or more. Every one of the republican congressmen were elected. In the legislature the republicans will have about 80 out of 100 assemblymen, and probably 23 or 25 of the 33 senators.

North Dakota Majority Grows.

Bismarck, N. D., Nov. 10.—Returns from North Dakota show an increased republican vote, even former populist and free-silver strongholds having been carried by the republicans. The republicans will have a large majority in the legislature on joint ballot, insuring the election of a republican to the United States senate to succeed Roach, democrat.

Colorado Is for Fusion.

Denver, Col., Nov. 10.—The entire fusion state ticket, headed by Charles S. Thomas, democrat, for governor, is elected by a majority approximating about 50,000. This is by far the largest majority ever given a candidate for governor in Colorado, but is less than half of Bryan's majority for president. The fusionists have an overwhelming majority in the legislature.

Quay Is Said to Be Defeated.

Philadelphia, Pa., Nov. 10.—The Wanamaker forces declare that Quay is defeated and that the anti-Quayites will have a big majority in the lower house. In a statement issued E. A. Van Valkenburg, Wanamaker's political manager, declares that the anti-Quayites will have at least 140 votes. This will be thirty-six more votes than are necessary to elect the senator.

McMillin Is Elected Governor.

Nashville, Tenn., Nov. 10.—It will be some days before complete returns from all the mountain counties make possible an accurate statement of the Tennessee vote for governor. Returns so far received justify the estimate of 25,000 plurality for McMillin, dem., over Fowler, rep. There will be no change in the congressional delegation.

South Dakota Republican.

Sioux Falls, S. D., Nov. 10.—Almost complete returns from the state give Phillips, republican, for governor, a majority of 1,200. Later returns will not materially alter this majority. Gamble, republican, is elected to congress by 4,000, and Burke, republican, by 3,500. The entire state republican ticket is elected.

The Vote in Nevada.

Carson, Nev., Nov. 10.—The vote for governor is very close, but Sadler, silver, claims his re-election by 800 majority over McMillin, rep. Congressman Newlands, silver dem., is re-elected by 3,000 majority over his only opponent, Wren, pop. The rest of the state ticket is conceded to the silver party.

Idaho Looks Like Fusion.

Boise, Idaho, Nov. 10.—Only forty-seven precincts in the state, embracing one-eighth of the vote, have reported. The fusion ticket is all elected by pluralities ranging from 5,000 to 8,000. The legislature will be controlled by the fusionists.

In Massachusetts.

Boston, Mass., Nov. 10.—Revised returns from all over the state show that Governor Wolcott received a plurality of 50,393 over Bruce. The total vote of the state was 294,033. Wolcott had 187,213 and Bruce 166,820.

Georgia for Free Silver.

Atlanta, Ga., Nov. 10.—Georgia elected a solid democratic delegation, solidly pledged to free silver.

MORE ELECTION FIGURES.

Almost Complete Returns Have Been Received.

SOME CHANGES IN RESULTS.

First Information Sent Proves to Have Been Misleading—Roosevelt's Majority Substantially as Reported Yesterday—The Result in Illinois.

Chicago, Nov. 10.—The republican majority for F. K. Whittemore, for state treasurer, is in the neighborhood of 25,000 to 30,000. The democrats probably lose the Twenty-first congressional district and gain three in Chicago and the Seventeenth. While the democrats have not secured control of either branch of the general assembly, they have increased their standing to a very respectable minority. The returns indicate that the senate will stand 34 republicans, 16 democrats and 1 populist. In the house the democrats will certainly have 73 or 74 out of 153 members.

Following are the congressmen elected from Illinois, being a net gain of two for the democrats: First, James R. Mann, rep.; Second, William Lorimer, rep.; Third, George F. Foster, dem.; Fourth, Thomas Cusack, dem.; Fifth, Edward T. Noonan, dem.; Sixth, Henry S. Boutell, rep.; Seventh, George E. Foss, rep.; Eighth, Albert J. Hopkins, rep.; Ninth, Robert R. Hitt, rep.; Tenth, George W. Prince, rep.; Eleventh, Walter Reeves, rep.; Twelfth, Joseph G. Cannon, rep.; Thirteenth, Vespasian Warner, rep.; Fourteenth, Joseph V. Graff, rep.; Fifteenth, Benjamin F. Marsh, rep.; Sixteenth, W. E. Williams, dem.; Seventeenth, B. F. Caldwell, dem.; Eighteenth, B. F. Johnson, rep.; Nineteenth, Joseph B. Crowley, dem.; Twentieth, J. R. Williams, dem.; Twenty-first, W. A. Rodenberger, rep.; Twenty-second, George W. Smith, rep.

INDIANA REPUBLICAN BY 16,000.

Despite Some Gallop Democrats Lose the State Ticket and Legislature.

Indianapolis, Ind., Nov. 10.—Unofficial returns from all the counties indicate that the republican plurality in Indiana will be about 16,000. Marion county, the capital city county, which was in doubt, came up with 2,900 plurality for the state ticket. The republicans suffered severe losses in a few stanch republican counties—notably Madison, the third county in the state in population, which they lost. On the other hand, in the majority of counties the republicans gained over their vote of two years ago.

The legislature according to the unofficial returns stands as follows: Republican hold-over senators, 15; democratic hold-over senators, 9; republican senators elected, 14; democratic senators elected, 12; republican majority in the senate, 8; republican members of the house elected, 56; democratic members of the house elected, 44; republican majority in the house, 12; republican majority on joint ballot, 20.

The republican contest for the United States senatorship has already begun. George W. Steele, who has been re-elected to congress in the Eleventh district, entered the race for the senate as soon as he was assured that he had been re-elected. The other candidates are Robert S. Taylor of Fort Wayne, Frank B. Posey of Evansville and J. Frank Hanley of Lafayette. Albert J. Beveridge, his friends say, will announce himself within the next week, and Gov. Mount may be brought into the race. Additional interest is centered in the contest for the reason that the majority of the men elected to the legislature are unpledged.

RESULTS UNCHANGED.

Roosevelt Carries New York by About 18,000 Plurality.

New York, Nov. 10.—Theodore Roosevelt carries New York by a plurality of between 17,000 and 18,000. Revised returns have been received from every county in the state verifying the figures.

The next state senate will be twenty-seven republicans and twenty-three democrats. Complete returns from close assembly districts increase the republican majority in the assembly to thirty-two, making the joint ballot majority thirty-six. Putnam county official returns may show the election of the republican candidate for member of the assembly, the Rev. James M. Yeager, which would increase the republican majority to thirty-seven. Adrian H. Dean, the democratic candidate, claims his election by a small majority.

MICHIGAN STRONGLY REPUBLICAN.

Pingree's Margin Safe and the Congressional Delegation Solid.

Detroit, Mich., Nov. 10.—The next congressional delegation from this state will be solidly republican; Congressmen Todd and Brucker, democrats, being succeeded by Washington Gardner and J. W. Fordney.

Gov. Pingree has been re-elected by a plurality which will not necessitate an official count to determine the result. The vote throughout the state was light, and although the governor was badly cut at many points, his democratic friends rallied to his support with more than enough votes to offset the republican defection.

West Virginia Is Divided.

Wheeling, W. Va., Nov. 10.—It is settled that B. B. Dovenor, republican, has 1,500 majority in the First district. Dayton, republican, claims the Second by 700. McGraw, democrat, claims the same district by 1,000. Many precincts are yet to hear from. In the

Third the republicans conceded it to Johnson, democrat, but they are claiming it again. The democrats claim Johnson's election by 800. In the Fourth district the democrats concede the election of Freor, republican, by 400. The legislature will be extremely close. Both sides are claiming it, and the complexion of the body will not be known till all districts are reported.

Minnesota's Seven Congressmen.

St. Paul, Minn., Nov. 10.—John Lind, silver republican, with democratic and gold populist indorsement, who, a few years ago, as a republican, represented a Minnesota district in the national congress, will have not less than 10,000 plurality in the state over Eustis, republican, but Lind is the only fusion candidate to win. His plurality may go several thousand higher. Democratic Chairman Rosing putting the figure at between 15,000 and 20,000, which was the claim made by him two days before the election. The rest of the republican ticket will be chosen by majority even greater than that for Lind. All seven republican congressmen have been elected.

Republicans Win in Nebraska.

Omaha, Neb., Nov. 10.—There is much joy among Nebraska republicans. They have carried the state by about 6,000 plurality. This means a clear gain of about 19,000 votes over the allied fusion forces. Many of the returns are delayed, but a change of any importance is hardly possible now. The state ticket is this: M. L. Hayward, governor; G. A. Murphy, lieutenant governor; Cenece Dumas, secretary of state; T. L. Matthews, auditor; Peter Mortenson, treasurer; J. F. Saylor, superintendent of public instruction; M. D. Jackson, attorney general; G. R. Williams, commissioner public lands and buildings. All are republicans.

Democrats Gain in Kentucky.

Louisville, Ky., Nov. 10.—The latest returns from the Ninth congressional district indicate that Mordecai Williams, democrat, of Catlettsville, has defeated the incumbent, Samuel Pugh, republican, of Vanceburg, by a majority of about 180. However, Mr. Pugh has not yet conceded his defeat, and claims he has a majority of 41, but this seems to be offset by belated returns from Harrison county, which give Williams a substantial majority. This gives the democrats ten of the eleven congressmen from Kentucky, a gain of three congressmen for the democrats in the state.

New Jersey's Republican Vote.

Trenton, N. J., Nov. 10.—Poster M. Vorhees, the republican candidate for governor, has a plurality of 11,000. The New Jersey delegation in the next congress will be as follows: First district, H. C. Loudenslager, rep.; Second, John J. Gardner, rep.; Third, Benjamin F. Howell, rep.; Fourth, Joshua S. Salmon, rep.; Fifth, James F. Stewart, rep.; Sixth, R. Wayne Parler, rep.; Seventh, Wm. D. Daly, dem.; Eighth, Charles N. Fowler, rep.

Kansas Returns a Big Surprise.

Topeka, Kas., Nov. 10.—The best guessers in all the parties were treated to a great surprise when the later returns showed such gains for the republican ticket as to insure its election of seven out of eight congressmen. This is a gain of six congressmen and a gain of 17,000 on the state ticket as compared with its result two years ago. It is the first time the republicans have ever succeeded in electing their ticket against a fusion of populists and democrats.

Ohio Gives a Majority of 60,000.

Columbus, O., Nov. 10.—Unofficial reports from all but five counties give the republicans Ohio by 59,553, and it is believed at headquarters that this will be slightly increased by later returns. The congressional districts will be represented, as at present, by fifteen republicans and six democrats, though the result in the Third district, now democratic, is so close that the republicans profess to entertain hopes of having it added to their list.

LOCAL EVIDENCE.

One Line of Janesville Evidence is Worth a Column of Foreign Testimony.

Make a mental note of this. The endorser is well known in Janesville. His veracity is unquestioned. You are reading local evidence, investigating home testimony. Janesville news for Janesville people.

Suspicion can't lurk around it. Honestly its prominent characteristic.

Home endorsement its salient point. Mr. Thos. Pratt of 281 South Main St. says: "I doctored off and on for forty years, attempting to rid myself of backache, which came on by spells, very painful when at their height and even when somewhat allayed, the dull aching grinding was sure to manifest itself, if I overtaxed myself, caught cold or did any work which brought a strain on the muscles of the back. Often I have been so lame and sore that there were days I was confined to my room almost helpless, certainly unable to get up or down. Like a great many other people in Janesville I procured Doan's Kidney Pills at the Janesville Co's. drug store, led to do so by the peculiar advertisement which riveted my attention. After taking a thorough course of the remedy I was able to go to the quarry and sling an eighteen pound hammer without showing any signs of a recurrence. If I am subjected to future attacks I know what remedy to employ."

Doan's Kidney Pills are for sale by all dealers. Price, 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y. sole agents for the U.S.: Remember the name Doan's and take no other.

Brought Sleep.

A Veritable Restorative which Contains no Harmful, Dangerous Drugs. Wonderful Beneficial Results Obtained from Dr. Miles' Nervine.

When the marvelous system of nerve centers, nerve fibers and ganglia which pervades every portion of our bodies, becomes deranged so as to interfere with the functions of the various organs the vitality is lowered, the health is destroyed, and even life itself is seriously endangered. A medicine that will strengthen and invigorate the shattered nerves, rest the weary body and soothe the tired brain is greatly to be desired. Such a medicine is Dr. Miles' Restorative Nervine. It is a nerve food and a tonic which acts directly on the nervous system, toning it up into sound and vigor.

Rev. Geo. W. Stone, of Windom, Minn., writes as follows: "I was greatly troubled with nervousness and inability to sleep, which condition was brought on from overwork and consequent neglect to properly care for my health. I had suffered from severe headaches for two months previous to the breakdown but had concentrated all my will power to finish a series of special meetings which I had in charge. A friend advised me to take Dr. Miles' Restorative Nervine and I began its use together with Nerve and Liver Pills, and I am pleased to say I found in these remedies just the help I wanted. The first night after I began using them I slept soundly all night and in the morning felt so much better that I was greatly encouraged. In a few weeks I was enjoying exceptional freedom from my old troubles. My wife was seriously troubled with heart pains and weakness resulting from female disorders. She took Dr. Miles' Heart Cure and found it just the thing to relieve the palpitation, and to tone up the action of the heart. We do not hesitate to recommend the Dr. Miles' Remedies as all that is claimed for them, and we use them in our family whenever necessity requires."

"About two years ago I was troubled with nervousness and sleeplessness which was caused by overwork. I tried all the doctors in the city but could get nothing that would give me relief. Then I went to my druggist and he recommended that I try Dr. Miles' Restorative Nervine. I bought a bottle and was surprised at the good results obtained. I continued taking the medicine until I had used five bottles and by that time my trouble was completely cured."

MARK HARRISON, Syracuse, N. Y.

"For seven years I suffered with nervous prostration, severe headache and an inability to

sleep. I lost my appetite, my weight ran down, and I was unable to do any work or scarcely to move about. Several doctors attended me but their medicines gave me very little if any relief. One day a friend recommended that I try Dr. Miles' Nervine and Nerve and Liver Pills. I did so and before the first bottle was gone I felt much better. At the end of three months I was able to do all my house work, could sleep at night as I used to, and am now seldom troubled with headache.

MRS. SARAH WALTERS, Rock Springs, Wyo.

Dr. Miles' Nervine will positively cure headaches of long standing, and it is exceedingly beneficial in such troubles as epilepsy and hysteria.

All druggists are authorized to sell Dr. Miles' Nervine on a guarantee that first bottle will benefit or money will be refunded. Be sure and get Dr. Miles' Nervine. Take nothing else. Write us about your troubles and ailments and we will give you the honest advice of a trained specialist absolutely free of charge. Booklet on heart and nerves sent free. WHY USE POND'S EXTRACT OINTMENT IS UNEQUALLED FOR PILES

Pond's Extract

Why not something else?

Because

Dr. J. J. Thomas says: "It is incomparably superior to any extract of Hamamelis I have ever used."
Dr. O. G. Randall says: "Nothing can equal Pond's Extract. I have tested others, and yours is four times as strong as the best."
Dr. J. C. Mitchell says: "Pond's Extract of Hamamelis Virginia is the only reliable article I have found."
Dr. H. K. Weiler says: "The difference between Pond's Extract and so-called Witch Hazel is the difference between a cent and a dollar."
Dr. H. F. Merrill says: "It is far superior to any I have used in strength and purity."
Dr. R. J. Harrison says: "I have never found any extract equal to Pond's."
Dr. Powell says: "Hereafter I shall use no other than Pond's Extract." And numerous others of similar purport.

And that's why.

EXPANSION IS FAVORED BY TWO OF US

Uncle Sam favors expansion in territorial possessions. He is on the right track and will extend his great free institutions to all corners of the globe.

WE FAVOR STOVE BUSINESS EXPANSION.

and are reaching out a greater distance each year, getting a firmer foothold with the stove-buyers of Rock county. Our thirty years and over of unparalleled stove selling has been the means of securing for us a reputation most enviable. The stoves we have handled have played a strong part in the expansion of our business. Five of the best and truest stoves that anyone could wish to put out to the trade are doing much toward extending our business this season to a great degree.

Garlands, Peninsulars, Radiant Home, Round Oak, Jewel!

Any one of them will cause the purchases to say a good word in our favor. Our stove business is enormous, and the fact of its being large is not merely chance. High qualities and low prices, besides always doing as we agree to do to the letter are responsible largely.

Jewel Stoves and Ranges

Minor details, as well as the most important, are carefully looked after in the construction of Jewel Stoves and Ranges. It is an aggregation of perfect features, small and large, that makes the perfect stove. This fairly accounts for the high merit of the Jewels. In point of efficiency, convenience, durability, design and finish, they outrank all other makes. Ask the dealer for them, and look for the above trade mark.

Jewel stoves are made by the largest makers of stoves in the United States—they are good stoves in every way. Come in and talk stove with us any time.

DRIED FRUITS—New California freestone Prunes are finding many buyers. They are 8c lb. quality. We bought a ton, and are selling them at 5c lb. Very fancy large California French cured Prunes, the best that personal inspection could procure on the market, 10c lb., 3 for 25c; a regular 10c lb. straight, article. This year's crop California Raisins, as good as you can find anywhere for 10c, we sell them at 8c; the Raisin crop was short this season—Raisins won't be as low in price as last year. Delicious Richelieu seeded Raisins, the choicest article prepared anywhere, put up in packages and regularly sold at 15c package, straight, our price, 15c; 2 packages for 25c. Fanciest English glace Lemon Peel, regular price, 25c lb., at 15c. Fanciest English glace Orange Peel, regular price, 25c lb., at 15c. New clean Currants in packages, 10c per package; 3 for 25c. The finest Corsican Candied Citron, regularly 25c per lb., at 15c.

POTATOES—A carload of Snow Flake Potatoes has arrived. This variety is well known as the best winter keeper and the choicest Potato grown. It is as scarce as it is choice. We are going to sell these Potatoes out of the car, and in 5-bushel lots or over make a price of 40c per bushel, delivered. If Potatoes are hauled from car by individuals they come at 35c per bushel in the 5-bushel and over quantities. Samples can be seen at our store.

FLOUR—In the past month over two cars of Flour have been disposed of. Gold Medal and Jennison's Fancy Patent Flours have sold at \$1.00 per sack and are still going at that price; no better milling can be found in the country. Jennison's Tip Top Flour at 95c per sack.

APPLES—A carload of fancy Michigan Apples, all varieties, was picked out personally and the stock is now in our mammoth cold storage; the choicest fruit in the city. Our prices are now about the same as wholesale prices, and before long they will advance. Apples will be high this winter; we advise early buying.

RICE—Fancy new Carolina Rice; this Rice, it must be understood, is some broken, otherwise the price could not be made; it is the same as you pay 10c per lb., for, and the quality is best; kernels become broken in hulling; we are selling it at 5c per lb.

OYSTERS—Every day we receive Oysters direct from Baltimore. There is no wait-over in Chicago for the Oysters to become sour and watery.
